

# BYPAD

*More quality for bicycle traffic*

## **The future of BYPAD**

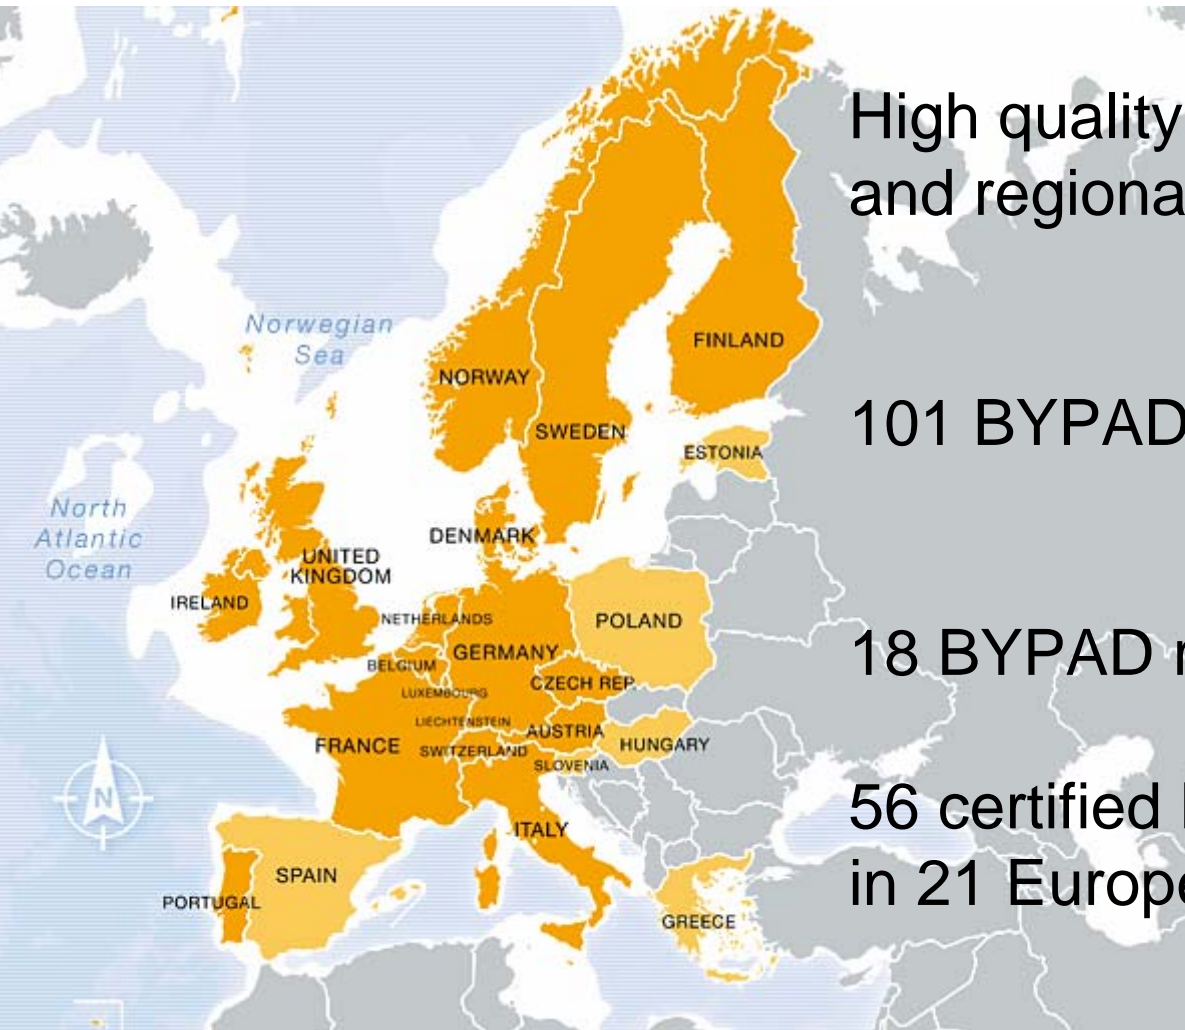

Tartu, the 19th of September 2008

*The most efficient method for improving your local cycling policy!*

**BYPAD**  
BICYCLE POLICY AUDIT

## **BYPAD after 9 years**

High quality tool to assess the local and regional cycling policy

101 BYPAD cities

18 BYPAD regions

56 certified BYPAD auditors  
in 21 European countries

## Aims

Maintain the BYPAD platform of auditors as a high level expert group

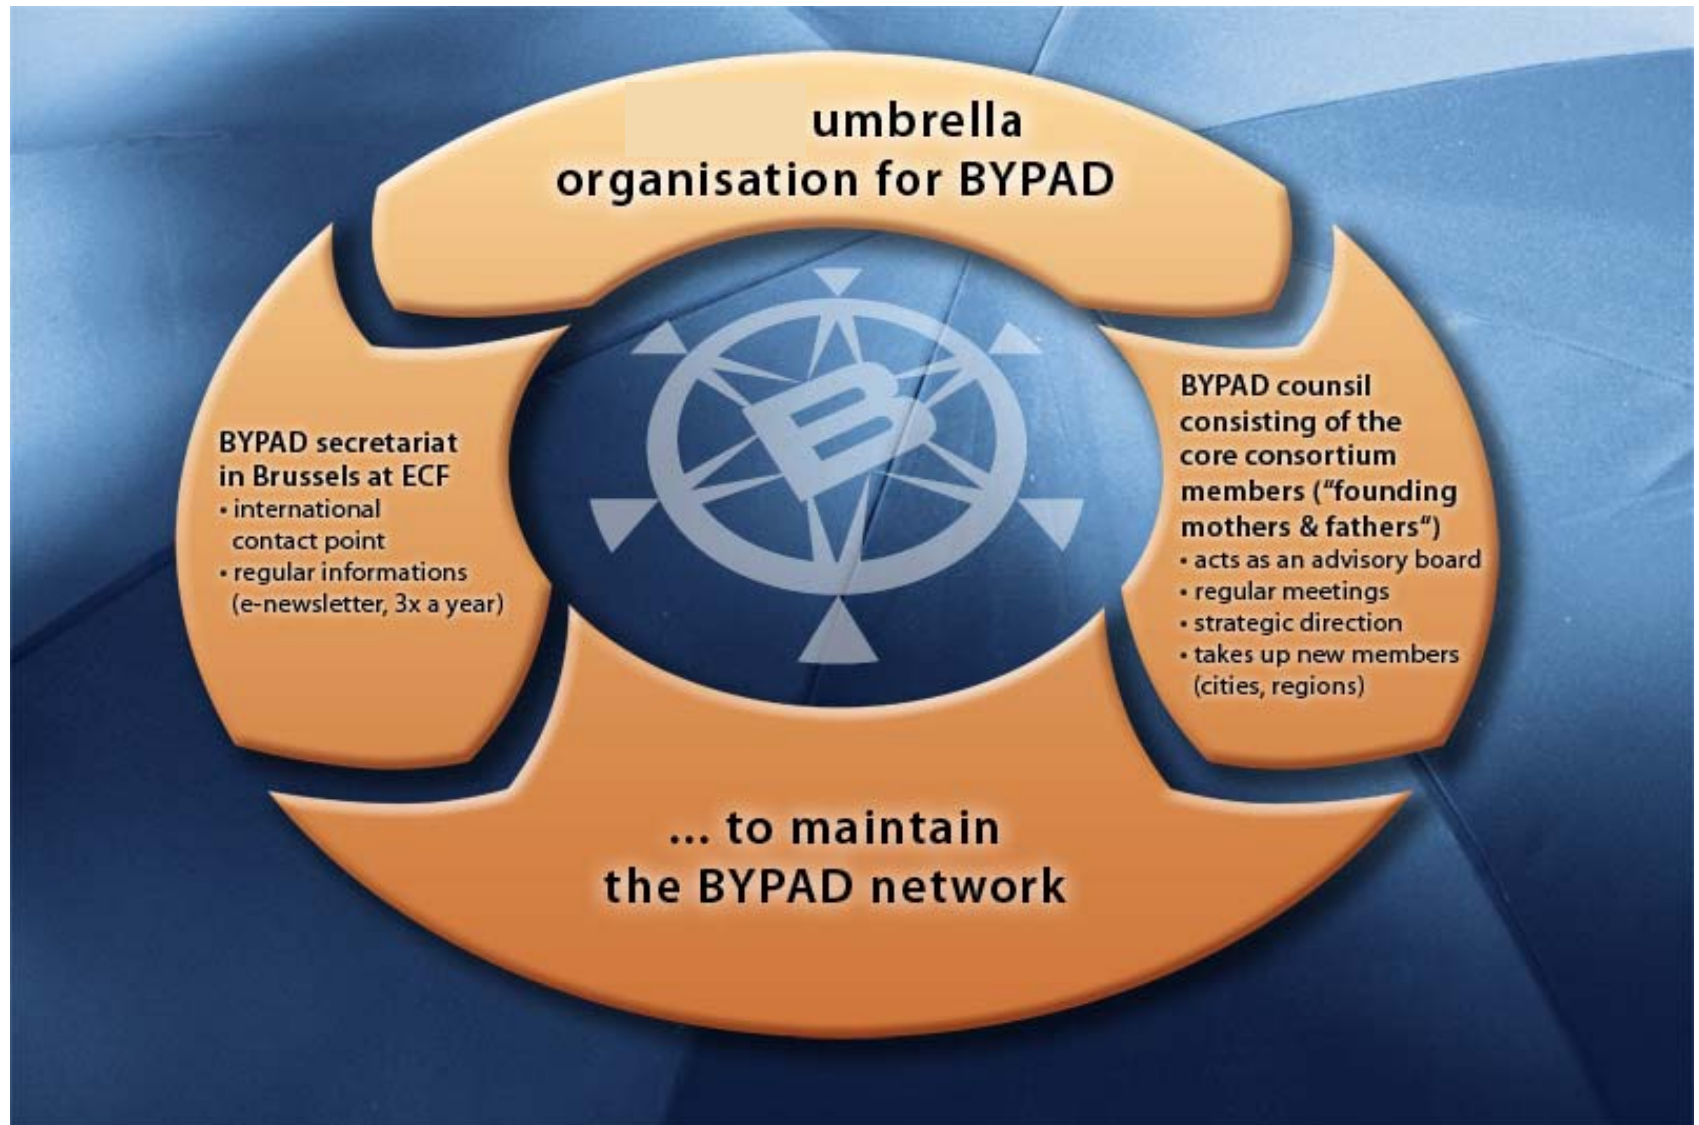

Offer regular information & expertise to cities, regions & auditors

Spread the BYPAD idea

Maintain and improve the BYPAD quality and standards

Train new BYPAD auditors

Win new BYPAD cities & regions

## **BYPAD income**

NO EU-funding anymore

yearly fee from the auditors  
(depending on the country between 300 - 600 €)

7% fee per audit (min. 500 €)

National support? / sponsors?

## **New BYPAD auditors**

Trainings on request offered by Timenco, FGM-AMOR, velo consult and CDV

Same costs for new & old companies

BYPAD auditor's licence is an individual one

# Extend the BYPAD network!
